

4TH GRADE SUMMER READING LIST FOR 2021

 SCHOLASTIC

Summer is here! Please order your summer reading book, **The Lemonade War**. This title is available to purchase through Scholastic Book Clubs. If you choose to use this method, you can enter my class code **TB7BN** at checkout. By using this class code, our class earns points which can be redeemed for books for our class library, which we appreciate so much! It could take 1 – 2 for the book to arrive to your home, so don't delay! Of course, you may find a used copy to read, or find the book through another retailer. We will be doing activities with this book during the first few weeks of the next school year. These activities will be for grades! I hope you have a wonderful summer and am looking forward to seeing everyone next school year!

Sincerely,

Mrs. Booth
