

2021 Summer Reading

It's almost summer! Please pick one book from the list below that falls within the grade level you will be in next year. The books are not in any particular order, and all are available to purchase through Scholastic Book Clubs. The novels are available to order on Scholastic using Mrs. Cutrera's class code: WQK3P. Please use this link to sign in or create your account: <https://clubs.scholastic.com/>. Once your book comes in, I will deliver them to you in class at school. Please order your book on Scholastic by Wednesday, May 19th. It usually takes 1-2 weeks for the book box to arrive. You can also purchase your book through another retailer. However, please keep in mind that ordering through Scholastic helps our classroom library, which we appreciate so much.

Our summer reading assignment will be the same as last year. Once you finish your choice book, you will create a Book Talk Powerpoint slideshow. The slideshow template can be edited to your liking, in order to include all of the details needed for your choice book. It has been posted on your child's Google Classroom for literature class. If you have any questions, please feel free to email me at ecutrera@smcsvikings.com. We hope you have a wonderful summer and can't wait to see you all next school year!
